

KPMG Japan North America Campus Recruiting – Spring 2026

KPMG Japan (AZSA/ KPMG Tax Corporation / KPMG FAS / KPMG Consulting) will be hosting recruiting events for students who are interested in the consulting industry.

In April, we plan to hold company information sessions and Career Exploration & Role Matching (available at selected locations only) in the following cities:

- Los Angeles area
- San Francisco / Oakland area
- San Diego
- Seattle
- Provo

We look forward to welcoming your participation.

Event Overview

■ Information Session & Workshop

This event is recommended for students who:

- Have just started their job search and would like to learn more about the consulting industry
- Are underclassmen and would like to begin gathering information for the future
- Are looking for summer internship opportunities

You are very welcome to join us casually.

We will provide an easy-to-understand overview of:

- KPMG's business areas
- The role of consultants
- Our working culture and environment

No prior knowledge or preparation is required. This session is designed as a first step in industry research.

■ Career Exploration & Role Matching

HR representatives will explain the roles and characteristics of each position and answer your questions.

This is a great opportunity to clarify uncertainties and help you think about which role may suit you best.

- Reservations are made by role of interest
- Participation is open even if you are still exploring options

There is no selection or evaluation involved. These are informal, one-on-one consultations.

■ Benefits of Career Exploration & Role Matching

- Understand the differences and features of each role in more detail
- Explore career paths that align with your interests and strengths
- Ask questions freely in a small-group or one-on-one setting

Important Notes

- This event is not part of the recruitment selection process
 - No advance preparation is required
 - Anyone with an interest in the consulting industry is encouraged to attend
-

Registration

- Students from universities other than the host institutions are also welcome
 - Please register via the reservation form for each venue
 - If you wish to attend both the information session and Career Exploration & Role Matching, please make separate reservations
 - Please come in casual attire (what you would normally wear to university). Our staff will also be dressed casually
-
